

BIATHLON YUKON NEWSLETTER SEPTEMBER 2022

School is back in session and the fall colours are here. Which also means it's the start of another season at Biathlon Yukon. And it will be a busy season for sure! Arctic Winter Games Trials will be held in December, AWG 2023 at the end of January, the Canada Winter Games, in February, and then the Nationals in March! And on top of that, Velocity Squad will have a couple of "outside" trips planned!

We will be looking for volunteers for the AWG2023 trials, and in anticipation of needing trained officials, there will be **official's courses and coaching courses held in the Fall. If you are interested in taking part, let us know and your name will be added to the list.** This is the year to gain experience and get involved with Biathlon Yukon.

Velocity and Pursuit squads have started their fall training, every Wednesday afternoon. Sunday practices will start after the Thanksgiving weekend, so look for emails from your coaches with all that information. There will be a mandatory parent meeting for Velocity families, so please check your emails. We will also be putting in a new uniform order for Velocity and Pursuit athletes – so take stock of what fits and what doesn't!

The Biathlon Bears program is full again this year. Start date is to be determined by snow fall.

There will be a **work bee on Saturday, September 17 from 10:30am to 2:30pm.** Please bring along a pair of work gloves and a good appetite, as we will have a BBQ to feed those who attend. Let's get the range and trails ready for the coming season!

Please check our website (under construction) and Facebook page for updated information and news.

COMING EVENTS

*Fall Work Bee!! Many hands make light work so come and help tidy the range and trails.
Saturday, September 17
1030am-230pm*
