

BIATHLON YUKON NEWSLETTER SUMMER 2023

Huge thanks to all who came out and had fun in the sun at the Slush Cup 2023 this year. Much fun was had, and our own National Team member, Nadia Moser competed with her dad! It is always great

to have past Biathlon Yukon athletes attend these events. Combined with our Volunteer Appreciation Barbecue, 75 people came to ski, shoot, dress up, celebrate and eat hotdogs in the sun, celebrating the end of another great season! Thanks to all the volunteers who helped this year. Without you we would not be able to hold the competitions, or run our programming – **So thanks to Coaches, officials, ski patrol, snack providers, parent helpers and Board members!**

Range Lake has almost dried up, and so regular Wednesday practices for Velocity are starting up again this week. They will continue through the summer, with Pursuit athletes joining in the later summer. Stay tuned for information from your coaches!

Registration information is coming out soon for all groups – look for emails from the club with how and when to register for your program. Thanks to all the coaches who have stepped forward for the coming season – we are well stocked in coaches, but will always encourage other interested folk to sign up for our coaching clinics.

After not making quorum on the original date for the AGM, a rescheduled meeting was held on May 18, our new Bylaws were passed and a new Board of Directors was elected. Big thanks to Brad Heron and Kim Hardacker (past Treasurer) for their hard work and time on the Board. Welcome to Tracey Hutton and Melissa Croskery as our new board members at large.

COMING EVENTS

*City of Whitehorse
Litter Pick Up
Wednesday, May 31
at 6:00pm
Meet at Biathlon
Yukon gates*
