

# BIATHLON YUKON NEWSLETTER SUMMER 2024

The Slush(less) Cup is done, the points for the Grey Mt. Cup (abridged) were handed out, the hot dogs eaten and now that the range is dry, we can start summer programming! Velocity Squad will continue practicing over the summer, every Wednesday evening, the archers are on the

trails, and we will have the Multicultural Centre of the Yukon Summer Camps learning the basics of biathlon throughout July. There may not be snow, but the trails are hopping!

Biathlon Yukon has been chosen as the recipient for the **Building Systems Consulting's (BSC) 2<sup>nd</sup> Annual Golf Classic Fundraiser, being held Friday July 5<sup>th</sup> at the Mountain View Golf Club.** We are looking for volunteers to help at the event, so if you are interested in being part of an afternoon of fun, food, and golf, click on the link to sign up!

<https://volunteersignup.org/8CAKF> We are very grateful to be part of this event and hope to see some of our members participating!

Biathlon Yukon is planning the coming season's events, which includes Officials' and Coach Training. The Entry Level Officials' course will be held September 7/8 and the Advanced Level training will happen in early November. Please send an email if you are interested in attending either of these courses.

Registration for programming is now open! If you are a returning athlete/family you should have received registration information already. We encourage all families to sign up as supporters or officials when registering their children. Bears registration information will be sent out later this month – so watch your email!

Follow us on facebook or Instagram this summer!
