BIATHLON YUKON FALL NEWSLETTER

SEPTEMBER 2026

www.biathlonyukon.org *also on facebook and instagram!*

GETTING READY FOR THE 2026-27 SEASON!

Biathlon Yukon had a busy summer, as dry land practices for Velocity athletes continued, some trail work was completed, and the 3rd Annual Northern Development Camp went ahead with 20 athletes participating.

Regular programming will be starting soon, so if you have not registered, please do so BEFORE attending your first practice. If you need more information, reach out!

In order to get ready for the skiing season, we will be holding our **annual Work Bee on Saturday, September 19 from 10-2pm**. Like always, everyone is welcome and we will be moving rocks, clearing brush, tidying up the trails and range, and putting up snow fencing. A bbq will follow, so bring your appetite.

Biathlon Canada is looking forward to returning to Whitehorse, YT to hold the Western Champs. This event will bring together athletes of all ages from across Western Canada. Make sure to save the date - **February 25-28, 2027**. We will be looking for people to help out before, during and after the event, so contact us if you would like to be involved either on or off the Field of Play!

Biathlon Yukon is still looking for a treasurer for our club - if this is something you think you could be interested in doing, please contact us.

If you have any questions, please reach out to biathlonyukon@gmail.com.
